MEMBERS CODE OF CONDUCT  
(May 2011)**

At Kia Toa RFC we realise and encourage the fostering of a friendly family orientated sports club, therefore we have the following code of conduct for general members

***At Games***

- Club members are asked to remember that players participate for their enjoyment and benefit
- The Club strongly discourages drinking on the sidelines of games
- The Club does not condone swearing, abuse or anti social behavior that may bring our name into disrepute on the sidelines
- Club members are expected to appreciate the sacrifice officials make each week to administer our games and the Committee will not tolerate abuse of them.

***At Our Club:***

- To assist our future by ensuring that your annual subscription is paid.
- To assist the Committee by keeping quiet and respectful during speeches.
- To ensure your behavior at the clubrooms is of an acceptable social standard. This includes no fighting, abuse and property damage. The committee does not allow bringing pre purchased alcohol into the clubrooms, and does not also allow drinking in the grounds outside the clubrooms.

As part of its commitment to a proud and strong family orientated club, the Kia Toa RFC has a Judiciary Committee which has the ability to investigate, call to account and recommend stand downs, suspension and in serious cases termination of membership for behavior deemed to bring the club name into disrepute.
